## 1. Introduction

Bareilly is a city in North India and is classified as Class I town and city is administrative headquarter to Bareilly district and Bareilly division. It is the centre for the manufacturing of furniture and for trade in cotton, cereal and sugar. The city population in 2011 was 8, 98,167. The city is divided into 80 wards.

### 1.1. Bareilly Smart City Limited (BSCL)

Bareilly smart city has been selected in round 4 under the smart city mission by the government of India. Objectives of Bareilly smart city include economic development, Safety, Mobility, Enhancing environment and Community Development.

## 2. Project Brief

### Design and Installation of Bareilly Heritage Light and Sound Show at District Jail Bareilly

District Jail is one of the oldest jail of the Bareilly region it was made in 1841 by the British Government. At that time there was judicial lockup for 213 prisoners. Many Freedom Fighters had been kept here. One of the most active freedom fighter of Bareilly area, Sardar Khan Bahadur Khan, was hung in this jail campus and he was also buried here. His grave also exists in this campus. Total land of this jail has is 70 acres.

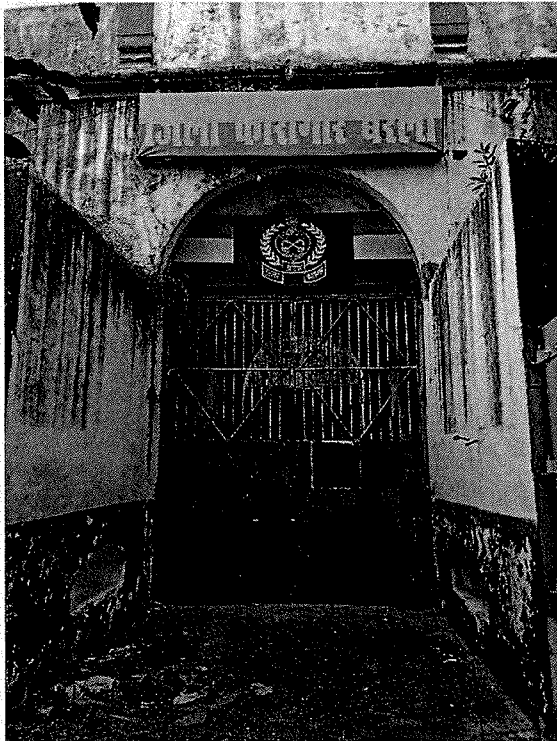

Figure 2: District Jail Entrance

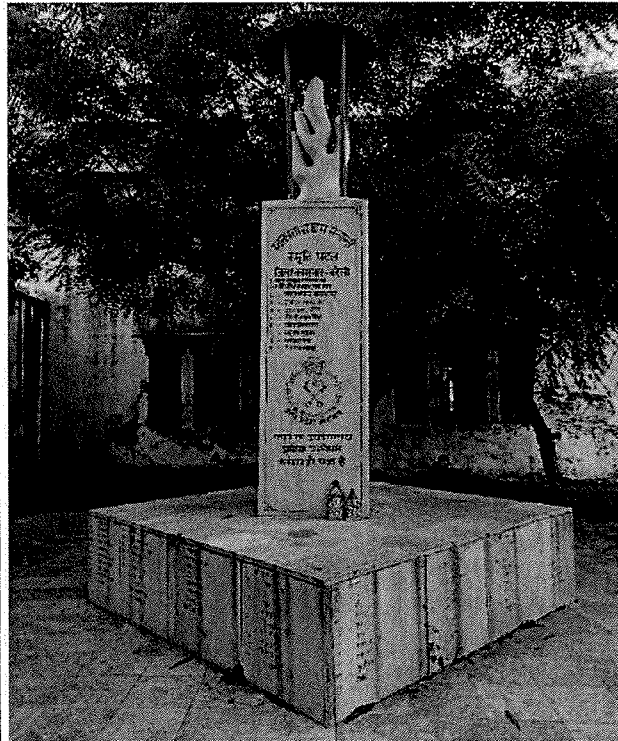

Figure 1: Swantrata Sainani Smriti Sthal

### 2.1. Site Location

The proposed Light and sound show will be located at the entrance of Old District Jail in Bareilly.

## 2.2. Existing Condition

The total 2348 prisoners of this Jail is now have been shifted to new jail building in Bhuta. This District Jail land is now vacant with only ruins.

## 2.3. Project Proposal

The Proposal on this area is to provide a Light and Sound show portraying the **History of Bareilly and the story of Freedom Fighters and their sacrifices of the Bareilly region** for the freedom of India. The existing Swantrata Sangram Sainani Samriti Patal on the site has 279 more names of freedom fighters who sacrificed for the independence of India. Their stories will give the people of Bareilly a feeling of pride and respect for their city. Considering this we are proposing a Projection Mapping with Light and sound show in this historic area of District Jail of Bareilly.

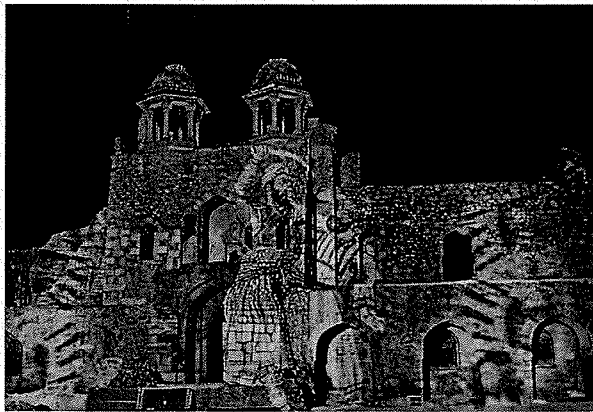

Figure 3: Reference image of Projection Mapping

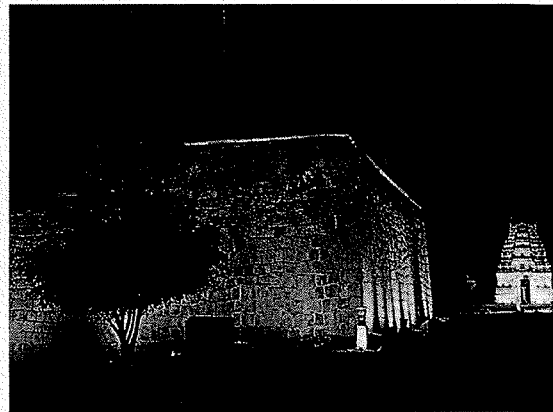

Figure 4: Reference Image of Light and Sound Show

The proposal is to prepare a story line, which will be narrated through projection mapping, light and sound show. The projection mapping will be done on the surface of existing building and the ambient lights will provide the dramatic effect on the building or the sculpture while narrating of the story. The seating arrangement will be in front of the projection wall. The road crossing from the site, which is not the main road people use it as shortcut or will be closed for 2 hours in the evening.

The show shall be organized in two languages Hindi and English in the evening for Better Light Effects. The Area shall be lit with Focus lights on two buildings Adjacent to the Prison entry while the main projection wall be of the Building as marked above to depict the Contributions of Freedom fighters and the history attached to the Site. Light and sound show shall be half an hour show each with alternate shows for different languages. Thus 4 shows will be Held in the day. The equipment required for the show shall be kept in the building itself. During the Show the three spots marked above shall be highlighted with different light effects to create dramatic effects. Important aspect of the project is to prepare a theme related to freedom fighters and an apt narrative closely linked or connected to the locals.

The façade of the building shall be retrofitted according to the needs of projection mapping. Entire area shall be made into public plaza with proper flooring and landscaping features and

the old buildings shall be either used in the show or provisions shall be made to hide the structures or enhance them.

### 3. Scope of Work

The private partner whosoever will be selected for the project is expected to **design, installation and operate** a comprehensive system comprising of **cleaning and renovation of site and facade of the buildings, installation of Lighting, audio system, sitting arrangements, Projection setup, content development, scripting and video making, voice over and operation and maintenance of all the equipment and the premise** of Bareilly Heritage Light and Sound Show at District Jail Bareilly.

Concept development, script writing, artistic direction and production of a 30-45 min. light and sound show at Bareilly Heritage Light and Sound Show at District Jail Bareilly. The conceptualization of script backgrounder would include research through books written from time to time. This will also include research on the style of music that is contemporary to the show.

Design, engineering, manufacturing, installation, testing and commissioning of hardware, system integration and programming for the show. This would include site visit for audio considerations including location of speakers and projectors.

Commissioning of light and sound control system and synchronizing of light and sound circuits.

The equipments should be of latest technology in the field of audio, lighting and sound effects, following the relevant standards and code of practices of BIS. The choice would lie with the party, but broad guidelines shall be ease in availability, maintainability, sustainability and energy efficiency.

#### 3.1. Activities to be performed by Bareilly Smart City Ltd.

1. Provision of space for Light and Sound Show at District Jail
2. Ensuring clearance and approval from all the required Authorities for installation and operation of the system.
3. Approval of system branding and advertisement on the system.
4. Review of Agency's plans for operation and maintenance of all activities.

#### 3.2. Activities to be performed by the selected Private Partner

1. A visit to the site and understanding finer details of the site and other physical constraints.
2. The private partner is required to design the site layout including projection surface, seating area, viewing area etc. as per the existing site
3. The private partner is responsible for the cleaning and renovating the site to make the site feasible for the Projection mapping and Light and Sound Show.
4. The private partner shall be responsible for the research and creation of the content, video making, voice over in English and Hindi languages, 3D projection mapping content according to the surface.
5. Civil works related to the permanent structure on which projectors would be focusing on. Only corrosion proof materials or corrosion protected materials to be used to ensure minimum maintenance and life span.

6. The operation of the show shall be in Hindi and English.
7. The theme of the light and sound show should be History and heritage of Bareilly focusing on the important buildings and sites of the city and struggle of freedom fighters of Bareilly region.
8. The private partner is required to present the plan to BSCL for approval.
9. The partner shall select and prepare the surface for the projection mapping as per the plan.
10. The private partner is required to build associated Infrastructure, procure, finance, provide, operate & maintain Projection Mapping and Light and Sound Show at District Jail (design of the Light and sound Show equipments should be as per the latest product in the market and needs to be approved by the BSCL before commencing the work).
11. The private partner is required to set-up, operate & maintain Light and Sound Show at District Jail (design & location of the same will be approved by BSCL).
12. The partner is required to maintain the installed equipments and site.
13. A maintenance and operation manual may be developed at a later stage.
14. A public address system may be in place in the control room.
15. Planning and hiring adequate staff for installation, operation and maintenance.

Sub: Submission of Expression of Interest (EOI) for "Design and installation of Bareilly Heritage Light and Sound show with projection mapping at District Jail"

Sir,

Being duly authorized to represent and act on behalf of and having thoroughly examined all the conditions of the invitee for Expression of Interest (EOI) dated \_\_\_\_\_ and ref: \_\_\_\_\_ for the captioned project, I/we hereby submit our Expression of Interest and the relevant information.

1. I/We have examined in detail and have understood, and abide by all the terms and Conditions stipulated in the above referenced EOI invite issued by the Authority. Our submissions/proposal is consistent with all the requirements stated in the EOI invite.
2. The information submitted in our proposal is complete, strictly as per the requirements as stipulated in the above referenced EOI invite, and is correct to the best of our knowledge and understanding. We shall be solely responsible for any errors or omissions or misrepresentations in our submission/proposal.
3. We have read the provisions of the EOI and confirm that these are acceptable to us. All necessary clarifications, if any, have been sought for by us and duly clarified.
5. I/We also authorize BSCL or their authorized representative to approach individuals, employers and firms to verify our submitted details, competence and general reputation.
6. We understand that BSCL will be at liberty to finalize project parameters and conditions, after assessing the response from the parties.
7. This call for EOI does not constitute a solicitation. BSCL reserves the right to modify or cancel and may recall the EOI.

8. We have not been blacklisted by any donor agency/State Government/Central Government(s)/Central Government or its agencies in India or abroad.

The undersigned declares that the statements made and the information provided in the application is complete, true and correct in every detail.
